

MUHAMMED NAZRIN BIN NORDIN

PROJECT DELIVERY & UI/UX SPECIALIST

Kuala Lumpur, Malaysia | +60 14-732 3206 | nazrinnordinn@gmail.com

Portfolio: nazrinnordin.com/uiux | linkedin.com/in/nazrinnordinn

PROFESSIONAL SUMMARY

Project delivery and UI/UX specialist with 8+ years in insurance technology, spanning Java development, front-end engineering, product design and cross-functional delivery. Experienced in requirements clarification, UAT coordination, defect and change-request tracking, stakeholder engagement, and translating business needs into usable digital products.

CORE SKILLS

Delivery & BA: Project coordination · Requirements gathering · UAT & defect tracking · Change requests · Stakeholder and vendor coordination · Agile / Scrum

Product Design: Figma · UX research & validation · User flows · Wireframes and prototypes · Design systems · Developer handoff

Technology: HTML · CSS · JavaScript · Java · Responsive web and mobile interfaces

PROFESSIONAL EXPERIENCE

Tune Protect Group Berhad | Kuala Lumpur, Malaysia

Project Delivery & UI/UX Specialist

May 2026 – Present

- Coordinate delivery across business, technology and vendor teams, tracking milestones, dependencies, action items and project communications.
- Support UAT execution through progress reporting, defect and change-request tracking, issue escalation and follow-up with stakeholders.
- Clarify requirements, validate implemented UI/UX against designs and support business-user readiness and communications.

Senior UI/UX Designer

Feb 2023 – May 2026

- Led web and mobile UI/UX design across Motor, Travel and Medical & Health insurance journeys.
- Produced user flows, wireframes, interactive prototypes and design-system components; collaborated with product, business and engineering teams.

Front End & UI/UX Developer

Jan 2023 – Feb 2023

- Implemented responsive UI components aligned with approved design specifications.

Conjoint.ly | Remote

UI/UX Developer

Oct 2021 – Oct 2022

- Designed and developed interfaces for a SaaS survey research platform, collaborating with an international remote team.

Etika Insurance and Takaful | Kuala Lumpur, Malaysia

UI/UX Developer

Jan 2021 – Oct 2021

- Redesigned and developed responsive, customer-facing insurance applications with business analysts and developers.

Java Developer

Jan 2019 – Jan 2021

- Developed and maintained back-end Java applications supporting insurance operations.

Java Developer (SL1M)

May 2018 – Jan 2019

- Built foundational enterprise Java development skills through the government graduate programme.

Theta Service Partner Sdn Bhd | Bangsar South, Malaysia

Software Engineer Intern

Aug 2017 – Dec 2017

- Supported internal software development and gained exposure to engineering workflows.
